Toronto Police have released photographs of a 40-year-old man wanted on drug and firearm charges.

Investigators have issued an arrest warrant for Robert Turczak in connection with a 2008 search of the In Storage self-storage facility at Middlefield Rd.

They say they found a sophisticated drug-manufacturing lab that took up three storage units, a commercial pill press, \$424,000 worth of methamphetamine and ecstasy pills and powders, and a stolen, loaded 9-millimetre handgun.

Turczak is described as white, 5-foot-9, 189 pounds, with brown hair and a Polish accent.

Anyone with information is asked to call police at 416-808-6100 or Crime Stoppers at 416-222-TIPS (8477).

Man sought in connection with discovery of drug lab

NEWS Sep 10, 2009 Scarborough Mirror

Police are looking for Robert Turczak in connection with a raid on a drug lab last year. A man is wanted on several charges relating to last year's discovery of a large drug manufacturing lab in Scarborough.

The lab was found within three units at a storage facility on Middlefield Road on July 9, 2008.

Police seized a commercial pill press, a large quantity of methamphetamine and ecstasy and a fully loaded stolen handgun.

An arrest warrant has been issued for 40-year-old Robert Turczak.

He is white, 5'9" tall, 190 pounds with brown hair.

Turczak speaks with a Polish accent.

Anyone with information is asked to call police at 416-808-6100 or Crime Stoppers at 416-222-TIPS (8477).
